Dear [Publisher or Editor name],

Enclosed is a manuscript to be considered for publication in _____ [Journal name]. The research reported in this manuscript has been funded through the National Institutes of Health and therefore its publication must comply with the NIH Public Access Policy (<http://grants.nih.gov/grants/guide/notice-files/NOT-OD-08-033.html>).

In order to ensure compliance with the NIH policy I, as corresponding author on behalf of all the authors, am retaining the rights to:

- Provide a copy of the authors' final manuscript, including all modifications from the publishing and peer review process, to the NLM's PubMed Central (PMC) database at the time the manuscript is accepted for publication; and
- To authorize NIH to make such copy of the manuscript available in digital form for public access in PMC no later than ___ months (indicate 0 to 12 months) after publication.

By accepting this manuscript for review, _____ [Publisher name] accepts these terms and agrees that the terms of this agreement are paramount and supersede any provisions in any publication agreement for this article, already signed or to be signed at a later date, that may conflict.

(Signature of corresponding author on behalf of all authors)
